

Together we can make a difference in Menomonee Falls

Jefferson and his two sons.

I am honored to be running for Village Trustee Seat 4 because I feel we can make a positive difference in our community when the Village Board works together to do the right thing.

I have a number of new and exciting ideas that will ensure a bright, safe, and comfortable future for our Village. For example, we would like to make our village government more efficient and responsive to our concerns and promote the fine qualities of Menomonee Falls.

Please browse this site to find very valuable information regarding our positions on current "Issues" concerning the Village, personal information ("Profile"), "News" updates, and a place to share your opinions with our web site. If you would like to join us in making a difference in Menomonee Falls, please visit the "Volunteer" section.

I believe there is no limit to what a community can do or how far it can go if individuals don't mind who gets the credit. Together we can make the Falls an even better place to live, work and play for ourselves and our children.

Please remember to vote in Menomonee Falls on Tuesday, April 6th. You can visit our "Voting Information Page" if you have questions about where to vote and how to register or by contacting our Campaign at davisfortrustee@yahoo.com.

Exercise the privilege of voting that we were given by our founding fathers to make a difference in Menomonee Falls.

With warm regards,

Jefferson E. Davis
